## KEY FEATURES

- Plumbed-in directly to the main water supply.
- Great solution if floor or bench space is an issue.
- The unit supplies cool, filtered water on demand from a counter-mounted tap adjacent to your sink.
- Premium-grade filtration system removes chlorine, bad taste and odours, lead and heavy metals.
- Impressively quiet electric refrigerator installs discretely inside your base cupboard.
- Fitted with a flood protection valve for the protection of your building – exclusive to Just Water.
- Also available in a 6 litre size.

Just Water operates a service and sanitisation programme, titled **DrinkSafe®**. This ensures that the water from your water cooler is safe to drink.
